**Where eagles land  
In the land of the free  
Is my home sweet home  
Washington DC.**

**Washington DC! Washington DC!  
Where Eagles land  
to make man free  
Where Eagles land  
to save humanity.**

**Let freedom ring! Let freedom ring!  
Let freedom ring...  
Oh God Almighty  
Let freedom ring  
In Washington DC**

**We guard Freedom's Capital  
America's first patriots  
Her loyal Trustees.  
We are; the "American Eagles  
Of Washington DC"!**

**Washington DC! Washington DC!  
Where Eagles land  
To make man free  
Where Eagles land  
To save humanity  
Let freedom ring! Let freedom ring!  
Let freedom ring  
Oh God Almighty  
Let freedom ring  
In Washington DC**

**From your Homeland America  
Over your majestic mountains  
And from many nations  
They cross the sea  
They journey to our shining star  
To proclaim liberty**

**Let freedom ring! Let freedom ring!  
Let freedom ring  
Oh God Almighty  
Let freedom ring  
In Washington DC**

**For your enduring legacy  
Our monuments stand  
For every great patriot  
For every brave soldier  
Who died for Liberty  
History is your witness America  
In Washington DC**

**Let freedom ring! Let freedom ring!  
Let freedom ring  
Oh God Almighty

**Our courts rule with honor  
Let justice reign supreme  
By consent of the people  
Our White House and Congress  
Forge  
The American Dream.**

**Let freedom ring! Let freedom ring!  
Let freedom ring  
Oh God Almighty  
Let freedom ring  
In Washington DC**

**The gentle Anacostia  
And the mighty Potomac  
Flow through our veins with ease  
With the spirit of freedom  
To fill our hearts with peace**

**Blessed with rich cultures  
Our spirits blend in harmony  
The cherry blossoms swell  
With divine beauty  
And softly burst free**

**Let freedom ring! Let freedom ring!  
Let freedom ring  
Oh God Almighty  
Let freedom ring  
In Washington DC**

**Into a shining star  
Your destiny was cast forever  
Oh Washington DC  
For when conflict approaches  
God lights up the darkness  
With your love for freedom  
And your spirit of Liberty**

**Where Eagles land  
In the land of the free  
Is my home sweet home  
Washington DC  
Washington DC Washington DC  
Where Eagles land  
To make man free

**Dedication of song: “Where Eagles Land-Washington DC”**

**This very special song is dedicated to every American who loves freedom. It belongs to each and every one of us for it is about the capital of Freedom, Washington DC. Our heroic city is a beacon of hope and faith for us and for so many people in the world who yearn for justice and freedom.**

**We the people of the District of Columbia are the loyal “Trustees” of America’s national capital. Our very lives are bonded with her destiny. We guard her proudly, our vigil is eternal for: She promised liberty.**

**Yet, from generation to generation for over 100 years our people have suffered from the pangs of a grave moral injustice: Your fellow Americans are denied Full Voting Representation in the very Centrum of Democracy- our Congress. We reach out directly to you for only you “The People” can help us achieve our freedom. We ask you to join our movement, to march with us every step of the way: For that day! To help us secure our rights, to join with the American people of the District of Columbia in achieving full Voting Representation the Congress of our United States!**

**This song is our call to freedom: to the American Eagles across our nation. I dedicate it to this noble movement and to the proud and loyal “American Eagles of Washington DC”.**

**Let Freedom ring-Let Freedom ring, oh God almighty let Freedom ring in Washington DC!**

**In the spirit of unity**
